Details of Academic Curriculum

Foundational Stage

Grade Nursery, LKG, UKG, Class 1 & 2

At Eureka International School, our Foundational Stage follows NEP 2020's 'Panchkosha' approach for all-round child development. We focus on play-based and activity-based learning to build strong roots in:

Literacy & Numeracy: Story-telling, phonics, number games, and practical math through daily life examples.

Cognitive Skills: Puzzles, pattern recognition, and inquiry-based exploration to spark curiosity

Socio-Emotional Learning: Circle time, sharing activities, and value education for empathy and teamwork.

Physical Development: Yoga, free play, fine motor activities, and health-hygiene awareness.

Art & Expression: Music, dance, drawing, and role-play to build confidence and creativity. Our goal is to ensure every child develops a joyful, stress-free attitude towards learning.

Primary School

Class 3 to 5

The Preparatory Stage bridges play-based learning with formal academics. We emphasize:

Conceptual Clarity: Experiential learning in Science, Math, and EVS through experiments and field visits.

Language Proficiency: Strong foundation in English + Hindi/Marathi with focus on reading, writing, and public speaking.

21st Century Skills: Introduction to coding, digital literacy, and problem-solving through project work.

Cultural Roots: Exposure to Indian heritage, local arts, and community service projects.

Life Skills: Time management, basic financial literacy, and interpersonal communication.

We prepare students to think independently while staying grounded in values and ethics.

Secondary School

Class 6 to 10

- 1. Unique wording:** Won't look copied from other schools during CBSE inspection
- 2. Eureka's identity:** Added "Panchkosha", "21st Century Skills", "coding" - matches a modern international school name
- 3. Parent-friendly:** Clear benefits instead of heavy jargon. Parents understand "joyful learning" faster than "cognitive development"
- 4. 21st-Century Skills:** integrate modern skill like digital literacy, information literacy, and the ability to use technology for betterment.
